1.0 POLICY

The purpose of this directive is to provide guidelines for individuals and companies who have leases and contracts with the City of Grand Prairie. The following guidelines are designed to show the most common minimum insurance requirements for standard contracts and agreements with the City. The City Manager may make exceptions of these guidelines for business reasons.

3.0 DEPARTMENTS AFFECTED/RESPONSIBILITIES

Department Managers are responsible for insuring that contract/lease holders have the required insurance coverage, is included and maintained on all contracts.

The City Attorney's Office is responsible for reviewing and approving contracts as to form. Non-standard agreements may require different or additional coverage and/or higher limits. Coverage Amounts required for non-standard agreements to be determined by the City Manager's Office.

4.0 PROCEDURE

4.1 All contracts will have a certificate of insurance in favor of the City with a 30-day notice of cancellation.

4.2 Additional requirements for all Contracts:

- 4.2.1 Names the City as Additional Insured;
- 4.2.2 Names the City as Certificate Holder; and
- 4.2.3 Includes Waiver of Subrogation in favor of the City.

4.3 Original proof of coverage will be maintained and controlled by Department Managers. Insurance certificates must accompany all contracts for City Manager/DCM signature and scanning by City Secretary and coverage must be kept current for the life of the agreement by the City Secretary. A completed contract coversheet with pertinent project information, including insurance carrier names/expiration dates, must also accompany the agreement.

4.4 In the event a certificate of insurance is received which does not comply with the minimum standards for insurance coverage, the appropriate department will be notified of the certificate deficiency. The Department must correct the deficiency and obtain a corrected certificate of insurance. The work being performed under the contract cannot begin until the certificate has been approved.

4.5 The City Attorney's Office will run quarterly reports of current insurance certificates from the City Secretary's files and alert Departments of expiring certificates. If a renewal certificate is not received at least two weeks prior to the expiration date of the certificate the department will be immediately notified. The work being performed under the contract for which the certificate is provided must cease on the date specified until a renewal certificate is received and approved by the City of Grand Prairie.
